

CV of Dr. Jörg A. VOGELSANG

Born 1st March 1961 in Lörrach, Germany

He studied Chemistry at the University of Stuttgart and obtained his PhD 1991 in Physical Chemistry in the group of Prof. Dr. M. Hauser. He joined Sika in 1992. During the first 10 years he worked as head of the department “Basic Research in Corrosion and Analytics” in R&D facilities in Stuttgart. 2002 he moved to Zurich and took over the responsibility for the Surface Science Lab in the central research group. 2008 he took over the responsibility for all analytical services in Sika world wide. Since 2013 he is Corporate Head Analytics & Testing and reports directly to the CTO. He is member and convenor of national & international standardizing committees and he is member of the board of the German Corrosion Society GfKORR e.V. He served as Chairman of the Scientific and Technological Advisory Committee of the European Federation of Corrosion and he is member of the steering committee of the section “Coating Chemistry” of the German Chemical Society. He is also member of the board of trustees of the Karl – Winnacker – Institute of DECHEMA e.V. He published about 50 papers and trained about 30 BSc and MSc – students.
